

Any of These \$1.00 Garments, 90c

For To-morrow—the First Day of the "White Sale" of 1911

The Palais Royal New Year "White Sale" is never announced until the old year stocks are disposed of. The "White Sale" of 1911 is to begin to-morrow morning.

Reliability

—The keynote for more than a quarter of a century.

To-day no word need be said in eulogy of the Palais Royal White Sale.

The invitation to inspect the 1911 Lingerie, with the quotation of to-morrow's complimentary prices, the practical souvenirs associated with the "Opening Day," will be responded to by thousands of regular patrons.
